

2025 sponsorship package

The Association for Utah Community Health (AUCH) invites you to join us as a sponsor for 2025.

AUCH is a not-for-profit membership association comprised of Utah's community health centers (FQHCs) and other allied health care organizations in rural and urban areas throughout the state. Our members are committed to making quality health care accessible and affordable to people of all ages, backgrounds, and life circumstances. Together, they are a vital part of Utah's health care system – and communities statewide. Learn more about our membership [here](#).

AUCH'S 2025 Annual Sponsorship Program has two ways to support members and extend your brand recognition. Whether you choose an event-based or year-round sponsorship, you can build more meaningful relationships with key health care decision-makers through increased recognition and trust of your brand. In 2025, our program is focused on quality over quantity – we will be limiting the number of sponsors to maximize your exposure. This program opens January 1st of each calendar year and sponsors will be accepted on a first come, first serve basis.

BENEFITS

- Increase your organization's name and brand recognition
- Increase your reach and exposure with Utah's health centers and other allied health care organizations
- Reconnect and engage with existing clients throughout the year
- Market your organization inexpensively
- Support the work of AUCH's members

TARGET AUDIENCES

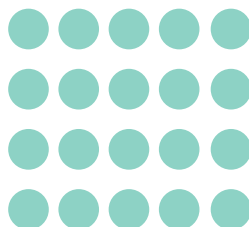

Audiences that can be reached by AUCH sponsorship include:

- Boards of Directors
- CEOs
- CFOs
- COOs/Operations Directors
- Senior Leadership
- Quality Directors
- Medical, Dental and Behavioral Health Providers
- Clinic Managers
- Front Desk
- and more.

If you have questions about our sponsorship program or want to request a customized sponsorship package, please contact **Beth Fiorello at beth@auch.org**. We look forward to hearing from you and hope you will consider this opportunity to support our members!

Sincerely,

Alan Pruhs
Executive Director, AUCH
