UTAH COMMUNITY HEALTH

# 2026 Sponsorship Package

# Welcome!

The Association for Utah Community Health (AUCH) invites you to join us as a sponsor for 2026.

AUCH is a not-for-profit membership association comprised of Utah's community health centers (FQHCs) and other allied health care organizations in rural and urban areas throughout the state. Our members are committed to making quality health care accessible and affordable to people of all ages, backgrounds, and life circumstances. Together, they are a vital part of Utah's health care system – and communities statewide. Learn more about our membership [here](#).

AUCH'S 2026 Sponsorship Package has two ways to support members and increase your brand recognition. Whether you choose an event-based or year-round sponsorship, you can build more meaningful relationships with key health care decision-makers through increased recognition and trust in your brand. In 2026, our program is focused on quality over quantity — we will be limiting the number of sponsors to maximize your exposure. This program opens January 1st and sponsors will be accepted on a first come, first served basis.

If you have questions about our sponsorship program or want to request a customized sponsorship package, please contact **Beth Fiorello** at [beth@auch.org](mailto:beth@auch.org).

We look forward to hearing from you and hope you will consider this opportunity to support our members!
